

GARMIN®

inReach® Mini

Satellite Communicator with GPS

inReach Mini is your go-to connection for maintaining off-the-grid contact. It's our palm-sized satellite communicator for adventures where size and weight matter. inReach Mini lets you send and receive text messages, track and share your journey and, if necessary, trigger an SOS alert to contact the GEOS 24/7 emergency response team. With inReach connectivity, your family and friends will know they can stay in touch globally.*

GPS based location tracking

Interactive 2-Way SOS with subscription

Two-way Messaging

IPX7¹ Waterproof rating

Up to 90 Hours in 10-min sending intervals

Key Features

- **Compact Communicator:** Small, rugged, lightweight (3.5 oz, 100.0 g) satellite communicator enables two-way text messaging via 100% global Iridium® satellite network (satellite subscription required)
- **Interactive SOS:** Trigger an interactive SOS to the 24/7 search and rescue monitoring center (satellite subscription required)
- **Share your journey:** Send route selection to MapShare™ portal for friends and family to see progress
- **Wireless Unit-To-Unit Connectivity:** Send and receive inReach messages through compatible Garmin devices, including connected wearables and handhelds
- **Pair With Your Mobile Device:** For access to downloadable maps, U.S. NOAA charts, color aerial imagery and more, use the free Earthmate® app with compatible devices²
- **Weather on the Go:** Optional inReach weather forecast service provides detailed updates directly to your inReach Mini or paired mobile device³; basic and premium weather packages available
