Why We ♥ Warren Dunes

TRAIL NOTES

We gotta start with the sand dunes. How can we not, when there's a dune right in our backyard towering over 250 feet? This popular state park boasts over 1,952 acres of land and three miles of Lake Michigan shoreline. Bring your pup along to catch a beautiful sunset in the designated “Dog Beach Area”!

Entry Fees & Parking Costs

A Michigan State Recreation Passport is required. This pass gives you entry into state parks and recreation areas, state boat launches, state forest campgrounds and state trail parking lots. Passes cost an average of \$11 - \$16 and are valid for one year.
